The following is an examiner's statement of reasons for allowance:

Applicant's argument for amended claims 1, 8, and 15 with regards to the Frye, Schell, and Pan references is persuasive. The subject matter of amended independent claims 1, 8, and 15 now overcomes the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
